memoQ

16-year experience as a translator; analytical skills; multi-focused, flexible and positive attitude; dynamic entrepreneurial spirit; effective multi-tasking and time-management abilities.

Fields of expertise

IT	Software localization, hardware, websites, product manuals
Gambling	Gaming/Betting websites
Medical	Clinical trials, patient monitoring devices, brochures, package leaflets
Legal	Contracts, Terms and Conditions

Professional Experience

2012-present	Co-owner of Lingua Greca Translations
2003-2012	Freelance Translator
2005-2007	Scientific Associate
2005-2007	Professional Training Instructor
2005-2006	Consultant/Speechwriter

Career Highlights:

- **Freelance Translator:** Various Translation Agencies in Greece and abroad. Main areas of specialization as translator and proof-reader: Gambling, Medical & IT texts.
- **Scientific Associate:** I was responsible for the study of maritime security issues in the Mediterranean Sea and for evaluating ways of countering environmental and other threats at personal and national level.
- **Professional training instructor:** I was the instructor of a professional training programme, entitled 'Techniques of Communication – Negotiation – Crisis Management in Health Sector'; I was also the instructor for a training programme entitled 'Voluntary Action and Crisis Management in Incidents of Bio-Terrorist Attacks' for employees at local government level.
- **Consultant/Speechwriter:** I was responsible for evaluating and proposing educational techniques for the Security Forces personnel. At the same time I had the opportunity to write speeches for top ministerial personnel on asymmetric threats and on the future and evolution of the Security Forces (Police, Fire-Brigade and Coast Guard) in Greece.
